

UNIDO, Vienna

Joint EU Workshop on Chemical Leasing

Meeting 9th June 2006

UNIDO

Vienna

Targets

1. Promote Chemical Leasing as a political tool to achieve environmental and economic benefits (win - win situation) and to reduce risks
2. Support Chemical Leasing as an element with REACH procedures
3. Show practical experiences and activities for Chemical Leasing
4. Awareness Raising on willingness of chemical industry to manage risks by sharing knowledge and taking over broader responsibility
5. Awareness Raising on need for European institutions to financially support UNIDO's Chemical Leasing Programme in the next years

Target Groups

Members of the European Parliament

Members of the European Commission

Members of the Councils working group

Member State Representatives

Media
